ICTV File-exchange directory ?

Offline [Gilmer](#) 130.79.19.135 *over 12 years ago*

Hello,

I do not know where to post my request, therefore I use the "ICTV discussions" directory to share this with everyone. Contributions for 9th ICTV report should be uploaded on the server but I could not find the directory. If someone could highlight the path for me and others, this would be fine.

All the best

David
